

**Theme: 8. PASSING THROUGH A ROAD JUNCTION, A ROAD INTERSECTION, A TUNNEL, A NARROWED SECTION OF THE ROAD, RAILWAY LEVEL CROSSINGS**

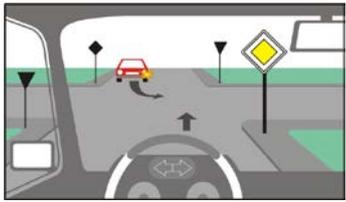

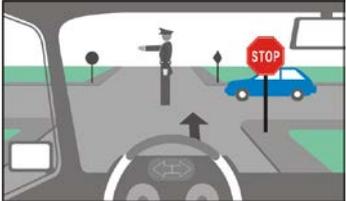

points	K	№	Question, answers	Figure
3		8/1.0	<p><b>When approaching a road junction, the driver must:</b></p> <p>timely assess how the rules for passing through the road junction are determined</p> <p>timely take the road lane, which is intended for his direction of driving</p> <p>be ready to reduce speed</p> <p>increase the speed to go faster through the road junction</p>	
3		8/1.1	<p><b>When approaching a road junction the driver must:</b></p> <p>timely take a lane, which is intended for his direction of driving</p> <p>drive on with readiness to stop</p> <p>give a light or sound signal, when he/she has right of way</p> <p>be ready to give way to pedestrians crossing the driveway</p>	
3		8/2.2	<p><b>Is the driver of the road vehicle allowed to enter a road junction, if circumstances force him to stop at the road junction and prevent him from the passing through it?</b></p> <p>no</p> <p>yes, when the traffic lights allow this</p> <p>yes, but only when the road is with priority</p>	
3		8/2.3	<p><b>Are you allowed to enter the road junction if before crossing it you will need to stop in the road junction?</b></p> <p>no, if this will hinder passing through it</p> <p>no, if the exit of the road junction is occupied and I will remain with the vehicle within the road junction</p> <p>yes, when on a priority road</p> <p>yes, always</p>	
3		8/2.4	<p><b>In which case the driver should not enter the road junction?</b></p> <p>if the situation will force him to stop at the road junction, which will prevent lateral transversal movement</p> <p>when road vehicle with special regime of movement is approaching from the transversal road</p> <p>when passing is controlled by traffic lights with yellow flashing light</p>	
3		8/3.0	<p><b>In which of the following cases this signal of the traffic lights prohibits the entry into the road junction?</b></p> <p>when you are forced to stay in the road junction due to traffic jam</p> <p>when there is a stop line on the driveway</p> <p>when road signs concerning right of way are placed at the road junction</p>	
3		8/3.1	<p><b>At this signal of the traffic lights, the entry into the road junction is:</b></p> <p>allowed, unless when the driver remains in the road junction due to traffic jam</p> <p>allowed without restrictions</p> <p>prohibited</p>	

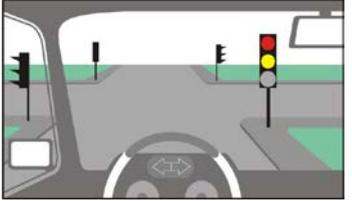

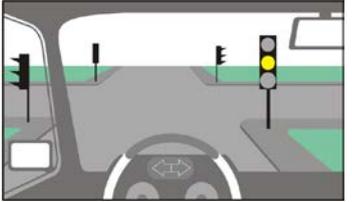

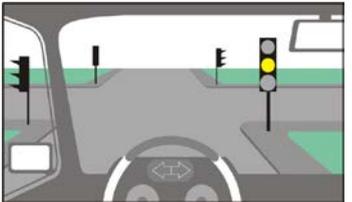

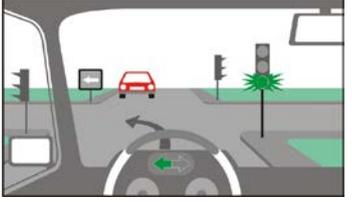

3		8/4.0	<p><b>Will the driver commit a violation, if in this situation he makes a U-turn?</b></p> <p>yes no</p>	
3		8/4.1	<p><b>In this situation, is the red passenger car allowed to continue moving straight?</b></p> <p>no yes</p>	
3		8/5.0	<p><b>In this situation, are you allowed to turn right?</b></p> <p>no yes</p>	
3		8/5.1	<p><b>In this situation, is the passenger car's driver allowed to turn right?</b></p> <p>no yes</p>	
3		8/7.	<p><b>In this situation are you allowed to turn right?</b></p> <p>no yes</p>	
3		8/8.	<p><b>The order of passing through this road junction for this passenger car and motorcycle is determined:</b></p> <p>by the "priority to the right" depending on their direction of movement depending on the vehicles category</p>	
3		8/9.	<p><b>The order in which these vehicles will pass through the road junction is determined:</b></p> <p>by the road signs related to the right of way by the "priority to the right" rule depending on the direction of movement of the vehicles</p>	
3		8/10.	<p><b>In this situation, in determining the order of passing through the road junction, the following rules apply:</b></p> <p>the road vehicles on the priority road must pass before the road vehicles of the other road the road vehicles turning left from the priority road, should give way to the oncoming road vehicles the "priority to the right" rule shall be applied among the road vehicles on the priority road</p>	

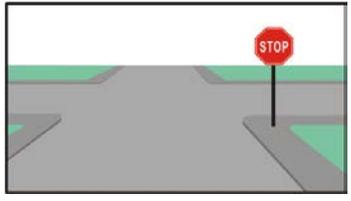

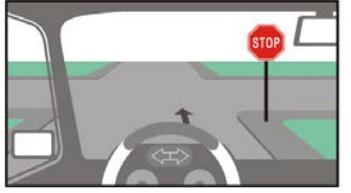

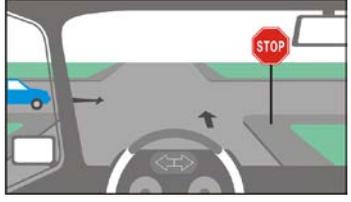

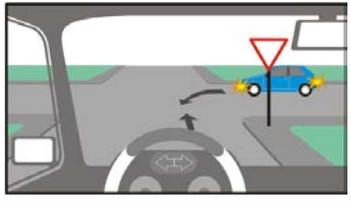

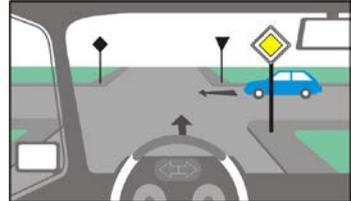

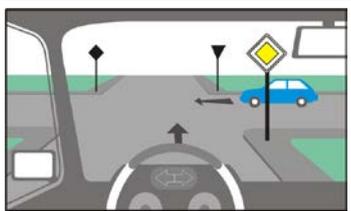

3	8/11.0	<p><b>In this situation, in determining the order of passing through the road junction, the following rules apply:</b></p> <p>the road vehicles on the priority road must pass before the road vehicles from the other road</p> <p>the "priority to the right" rule shall be applied among the road vehicles on the priority road</p> <p>the road vehicles turning left from the priority road should give way to the oncoming road vehicles.</p>	
3	8/11.1	<p><b>In this situation, in determining the order of passing through the road junction, the following rules apply:</b></p> <p>the road vehicles on the priority road must pass before the road vehicles from the other road</p> <p>the "priority to the right" rule shall be applied among the road vehicles on the priority road</p> <p>the road vehicles turning left from the priority road should give way to the oncoming road vehicles.</p>	
3	8/12.2	<p><b>The order of passing through the road junction for these vehicles is determined:</b></p> <p>by the "priority to the right" rule</p> <p>depending on the vehicles direction of movement</p>	
3	8/12.3	<p><b>The order of passing through the road junction for these vehicles is determined:</b></p> <p>by the "priority to the right" rule</p> <p>depending on the direction of movement of the vehicles</p>	
3	8/13.	<p><b>In this situation, in determining the order of passing through the road junction, the following rules are applied:</b></p> <p>the road vehicles, which have allowing signal from the traffic lights, pass through the road junction</p> <p>the road vehicles turning left, which have allowing signal, should give way to the oncoming road vehicles</p> <p>the road vehicles which have allowing signal, apply among them the "priority to the right" rule</p>	
3	8/14.	<p><b>The order of passing through the road junction for these vehicles is determined:</b></p> <p>by the signals from the traffic-controller</p> <p>by the "priority to the right" rule</p> <p>depending on the direction of movement of the vehicles</p>	
3	8/15.0	<p><b>In case of discrepancy between the signals of the traffic-controller, the traffic lights signals and the road signs, related to the right of way, you must consider:</b></p> <p>the signals of the traffic-controller</p> <p>the requirements of the road signs</p> <p>the traffic lights signals</p>	
3	8/15.1	<p><b>In this situation, when passing through the road junction, you must consider:</b></p> <p>the signals of the traffic controller</p> <p>the traffic lights signals</p> <p>the requirements of road signs related to the right of way</p>	

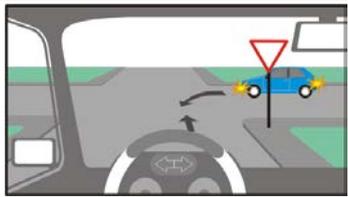

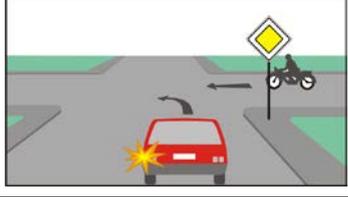

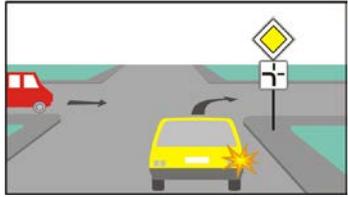

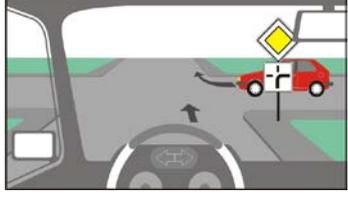

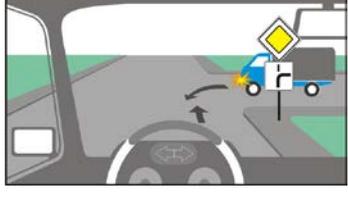

3	8/16.	<p><b>In this situation, the order of passing through the road junction for these vehicles is determined:</b>  <b>by the signals of the traffic-controller</b>  by the road signs related to the right of way  depending on the direction of movement of the vehicles  by the "right of way of the right-hand vehicle" rule</p>	
3	8/17.	<p><b>In this situation, the order of passing through the road junction for these vehicles is determined:</b>  <b>by the signals of the traffic-controller</b>  by the traffic lights  by the "priority to the right" rule  depending on the direction of movement of the vehicles</p>	
3	8/18.	<p><b>In this situation, the order of passing through the road junction for these vehicles is determined:</b>  <b>by the signals of the traffic-controller</b>  by the traffic lights  by the "priority to the right" rule  depending on the direction of movement of the vehicles</p>	
3	8/19.0	<p><b>In this situation, is it allowed to pass through the road junction?</b>  <b>no</b>  yes, but after letting the blue passenger car pass</p>	
3	8/19.1	<p><b>In this situation it is allowed to pass through the road junction?</b>  <b>yes</b>  no</p>	
3	8/20.	<p><b>In case of discrepancy between the traffic lights signals and road signs related to the right of way, you must consider:</b>  <b>the lights signals</b>  the requirements of road signs</p>	
3	8/21.	<p><b>In this situation, in determining the order for passing through the road junction, the following rules apply:</b>  <b>the road vehicles which have allowing signal from the traffic-lights shall pass through the road junction</b>  <b>the road vehicle which turns left lets the oncoming road vehicle pass first</b>  the road vehicle on the priority road must pass before the road vehicle from the other road  the road vehicles which pass at allowing signal, apply the "priority to the right" rule</p>	
3	8/22.0	<p><b>In this situation, when passing through the road junction, you must consider:</b>  <b>the traffic lights</b>  <b>the road sign prohibiting the turning right</b>  the road sign related to the right of way</p>	

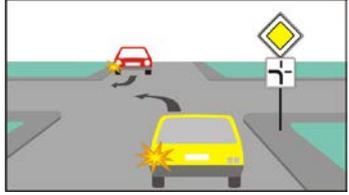

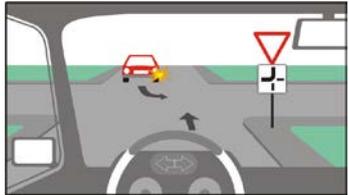

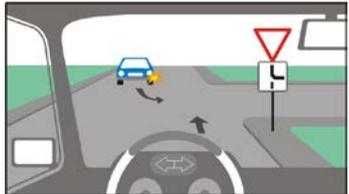

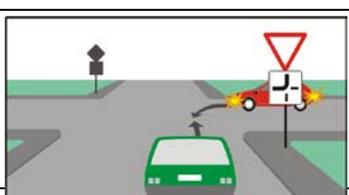

3	8/22.1	<p><b>In this situation, when passing through the road junction, you must consider:</b></p> <p>the traffic lights</p> <p>the road sign for mandatory direction of movement in the road junction</p> <p>the road sign related to the right of way</p>	
3	8/23.	<p><b>In case of discrepancy between the instructions of the road signs and road markings, the drivers are required to comply:</b></p> <p>with the prescriptions of the road signs</p> <p>with the road markings</p>	
3	8/24.	<p><b>Will the driver commit a violation, if in this situation he turns left?</b></p> <p>yes</p> <p>no</p>	
3	8/25.	<p><b>In this situation, the direction in which the red passenger car is allowed to pass is determined by:</b></p> <p>the road markings</p> <p>the road sign</p> <p>the light signal</p>	
3	8/26.0.	<p><b>How must you act in this situation, if the driver of the red passenger car, who must give way, does not indicate by any action that he will stop?</b></p> <p>reduce the speed</p> <p>drive on with readiness to stop</p> <p>I am not obliged to take him into consideration, because I have right of way</p>	
3	8/26.1	<p><b>How must you act in this situation, if the driver of the blue passenger car, who must give way, does not indicate by any action that he will stop?</b></p> <p>reduce the speed</p> <p>drive on with readiness to stop</p> <p>I am not obliged to take him into consideration, because I am driving straight</p>	
3	8/26.2	<p><b>How must you act in this situation, if the driver of the red passenger car, who must give way, does not indicate by any action that he will stop?</b></p> <p>reduce the speed</p> <p>drive on with readiness to stop</p> <p>I am not obliged to take him into consideration, because I have right of way</p>	
3	8/26.3	<p><b>How must you act in this situation, if the driver of the blue passenger car, who must give way, does not indicate by any action that he will stop?</b></p> <p>reduce the speed</p> <p>drive on with readiness to stop</p> <p>I am not obliged to take him into consideration, because I have right of way</p>	

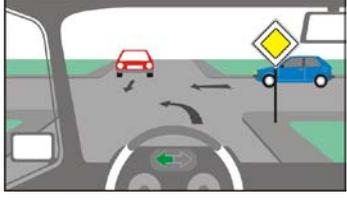

3	8/26.4	<p><b>How must you act in this situation, if the driver of the red passenger car, who must give way, does not indicate by any action that he will stop?</b></p> <p>reduce the speed drive on with readiness to stop accelerate, because I have right of way I am not obliged to take him into consideration because I have right of way</p>	
3	8/27.0	<p><b>In this situation:</b></p> <p>I will stop to wait for an allowing signal from the traffic-controller I will stop to give way to the red passenger car and then I will pass after it I will pass before the red passenger car, because I'm on the right and I am driving on a priority road</p>	
3	8/27.1	<p><b>In this situation:</b></p> <p>I will stop to wait for an allowing signal from the traffic-controller I will give way to the blue passenger car and I will pass after it I will pass before the blue passenger car</p>	
3	8/28.	<p><b>In this situation:</b></p> <p>I will stop to wait for an allowing signal from the controller I will stop to give way to the red passenger car and pass after it I will pass before the red passenger car</p>	
3	8/29.	<p><b>In this situation:</b></p> <p>I must pass before the blue passenger car I will stop to give way to the blue passenger car and pass after it I will stop to wait for an allowing signal from the traffic-controller</p>	
3	8/30.	<p><b>In this situation are you allowed to turn right?</b></p> <p>yes no</p>	
3	8/31.	<p><b>In this situation I must mandatory turn left.</b></p> <p>incorrect correct</p>	
3	8/32.	<p><b>With this signal of the traffic-controller I will not commit a violation by passing through the road junction, provided that:</b></p> <p>before the occurrence of this signal, I was allowed to pass through at the time of the signal I'm so close that I cannot stop safely I give a light or sound signal for passing through the road junction</p>	

3	8/33.	<p><b>With this signal of the traffic-controller I will not commit a violation by passing through the road junction, provided that:</b></p> <p>before the occurrence of this signal, I was allowed to pass through</p> <p>at the time of the signal I'm so close that I cannot stop safely</p> <p>I give a light or sound signal for passing through the road junction</p>	
3	8/34.	<p><b>After submitting this traffic-lights signal:</b></p> <p>the entry into the road junction is prohibited</p> <p>I need to prepare for setting-off</p> <p>I can turn right, but with high caution</p> <p>the entry into the road junction is allowed</p>	
3	8/35.	<p><b>With this non flashing signal of the traffic-lights:</b></p> <p>it is prohibited to pass through the road junction</p> <p>I may pass, but with high caution</p> <p>the passing is allowed for pedestrians only</p>	
3	8/36.	<p><b>With this non flashing traffic-lights signal the entry into the road junction is:</b></p> <p>prohibited, except in cases where we cannot stop without creating a danger to traffic</p> <p>allowed without restrictions</p> <p>prohibited in all cases</p>	
3	8/37.	<p><b>In this situation the driver of the blue passenger car must:</b></p> <p>allow the pedestrian pass</p> <p>give way to the red passenger car</p> <p>pass through before the pedestrians</p> <p>pass through before the red passenger car</p>	
3	8/38.	<p><b>The illuminated white arrow in the opposite corner of the road junction means that:</b></p> <p>at this moment, the red passenger car is prohibited to drive straight and right</p> <p>I can turn left without waiting for the passing of the red passenger car</p> <p>I must give way to the red passenger car, because I am turning left</p>	
3	8/39.0	<p><b>After which of these signs, while passing through the road junction, the vehicle on the other road should give way to you?</b></p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>a.</p> </div> <div style="text-align: center;">  <p>b.</p> </div> <div style="text-align: center;">  <p>c.</p> </div> <div style="text-align: center;">  <p>d.</p> </div> </div>	
3	8/39.1	<p><b>After which of these signs, while passing through the road junction, the vehicle on the other road should give way to you?</b></p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div> </div>	<div style="text-align: center;">  </div>

			<p>a.                      b.                      d.</p> 	
3	8/39.2	<p><b>After which of these signs when passing through the road junction, we should give way to the road vehicle coming on the right road pass first?</b></p> <p>a.                      b.                      c.                      d.</p> 		
3	8/40.0	<p><b>This sign requires the drivers to stop:</b></p> <p>always, no matter if there is a vehicle moving on the road being crossed</p> <p>only if there is a vehicle moving on the road being crossed</p> <p>if they deem it necessary</p>		
3	8/40.1	<p><b>In this situation:</b></p> <p>I must stop before passing through the road junction</p> <p>I may pass through without stopping, but I must give way to the road vehicles on the other road</p> <p>I may pass through without stopping, if there are no other road vehicles</p>		
3	8/41.	<p><b>In this situation I can pass through without stopping, provided that I give way to the blue passenger car.</b></p> <p>incorrect</p> <p>correct</p>		
3	8/42.	<p><b>In this situation, do you have to stop before passing through the road junction?</b></p> <p>yes, in the presence of this road sign I am obliged to stop</p> <p>no, because the red passenger car turns right</p>		
3	8/43.	<p><b>In this situation:</b></p> <p>it is allowed to pass through without stopping, but I must give way to the road vehicle on the other road</p> <p>I am obliged to stop before passing through the road junction</p> <p>I may pass without stopping, because the road I am moving on is a priority road</p>		
3	8/44.	<p><b>With this road sign:</b></p> <p>it is allowed to pass through without stopping, because the road I am moving on is a priority road</p> <p>I am obliged to stop before it pass through the road junction</p> <p>I may pass through without stopping, but I must give way to the road vehicle on the other road</p>		
3	8/45.	<p><b>In this situation:</b></p> <p>I am allowed to pass through without stopping</p> <p>the road I am moving on is a priority road</p> <p>the road vehicles on the other road must give way to me</p> <p>I am obliged to stop before passing through the road junction</p>		

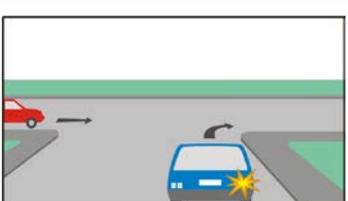

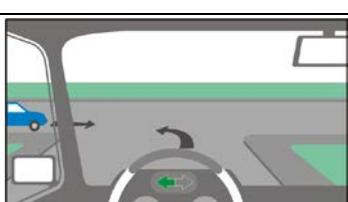

3	8/46.0	<p><b>In this situation, I will pass through before the blue passenger car, because I am moving straight.</b></p> <p>incorrect</p> <p>correct</p>	
3	8/46.1	<p><b>In this situation I have the right of way, because I am moving straight.</b></p> <p>incorrect</p> <p>correct</p>	
3	8/47.	<p><b>In this situation, I must give way to the truck, because it is moving straight.</b></p> <p>incorrect</p> <p>correct</p>	
3	8/48.	<p><b>In this situation, the following have right of way:</b></p> <p>the passenger car because it is moving along the priority road</p> <p>the motorcyclist, because he is located on the right side of the passenger car</p> <p>the motorcyclist, because he is driving straight</p>	
3	8/49.	<p><b>In this situation the passenger car moving straight has right of way over the car which is turning right.</b></p> <p>incorrect</p> <p>correct</p>	
3	8/50.	<p><b>In this situation, are you obliged to give way to the truck?</b></p> <p>yes, regardless of the direction in which it will continue to move</p> <p>it depends on the direction in which it will continue to move</p> <p>no</p>	
3	8/51.	<p><b>In this situation, are you obliged to give way to the truck?</b></p> <p>yes, because it is located on the priority road</p> <p>yes, because it is located on right</p> <p>no, because I am driving straight</p>	
3	8/52.	<p><b>In this situation, the red passenger car has right of way.</b></p> <p>correct</p> <p>incorrect</p>	
3	8/53.	<p><b>In this situation I will pass through before the truck, because I am moving straight.</b></p> <p>incorrect</p> <p>correct</p>	
3	8/54.	<p><b>In this situation I must pass through before the red passenger car because:</b></p>	

			<p>I'm located on the priority road</p> <p>I am driving straight</p> <p>the red passenger car is turning left</p>	
3		8/55.	<p><b>In this situation:</b></p> <p>I must pass through before the passenger car</p> <p>I must give way to the passenger car which is moving straight</p>	
3		8/56.	<p><b>In this situation, the red passenger car that is turning right has right of way.</b></p> <p>incorrect</p> <p>correct</p>	
3		8/57.	<p><b>In this situation I must give way to the red passenger car, because:</b></p> <p>it is located on the priority road</p> <p>it is moving straight</p> <p>I am turning left</p>	
3		8/58.	<p><b>In this situation I must give way to the red passenger car.</b></p> <p>correct</p> <p>incorrect</p>	
3		8/59.	<p><b>In this situation, I will pass before the blue passenger car because I am driving straight.</b></p> <p>incorrect</p> <p>correct</p>	
3		8/60.	<p><b>In this situation I have right of way.</b></p> <p>incorrect</p> <p>correct</p>	
3		8/61.	<p><b>In this situation I have right of way.</b></p> <p>incorrect</p> <p>correct</p>	
3		8/62.	<p><b>In this situation, the following vehicles have right of way:</b></p> <p>the red passenger car, because it is approaching the road junction from the right side of the green passenger car</p> <p>the green passenger car, because it is moving straight</p> <p>the red passenger car, because it is located on the priority road</p>	

3		8/63.	<p><b>In this situation, I have right of way.</b></p> <p>correct</p> <p>incorrect</p>	
3		8/64.	<p><b>In this situation, which of the vehicles should you give way to?</b></p> <p>the red passenger car</p> <p>the blue passenger car</p>	
3		8/65.	<p><b>In this situation I must:</b></p> <p>pass through before the red passenger car</p> <p>pass through before the blue passenger car</p> <p>give way to the red passenger car</p> <p>give way to the blue passenger car</p>	
3		8/66.0	<p><b>In this situation I must give way to:</b></p> <p>the red passenger car only</p> <p>the blue passenger car only</p> <p>both passenger cars</p>	
3		8/66.1	<p><b>In this situation I must:</b></p> <p>give way to the red passenger car</p> <p>pass through before the blue passenger car</p> <p>give way to the blue passenger car</p> <p>pass through before the red passenger car</p>	
3		8/67.0	<p><b>In this situation I must give way to the red passenger car only.</b></p> <p>incorrect</p> <p>correct</p>	
3		8/67.1	<p><b>In this situation I must:</b></p> <p>give way to the passenger car</p> <p>give way to the motorcyclist</p> <p>pass through before the motorcyclist</p> <p>pass through before the passenger car</p>	
3		8/68.	<p><b>In this situation I must:</b></p> <p>give way to the red passenger car</p> <p>pass through before the blue passenger car</p> <p>pass through before the red passenger car</p> <p>give way to the blue passenger car</p>	
3		8/69.	<p><b>In this situation I should give way to:</b></p> <p>the motorcyclist</p> <p>the truck</p>	

			the passenger car	
3		8/70.0	<p><b>Are you obliged to give way to the blue passenger car, in this situation?</b></p> <p>yes</p> <p>no</p>	
3		8/70.1	<p><b>In this situation, I must:</b></p> <p>pass through before the red passenger car</p> <p>give way to the blue passenger car</p> <p>pass through before the blue passenger car</p> <p>give way to the red passenger car</p>	
3		8/71.	<p><b>In this situation, I must:</b></p> <p>pass through before the red passenger car</p> <p>give way to the blue passenger car</p> <p>give way to the red passenger car</p> <p>pass through before the blue passenger car</p>	
3		8/72.	<p><b>In this situation, the yellow passenger car must pass through before the blue passenger car and red passenger car because:</b></p> <p>it is located on a priority road</p> <p>it is located on the right side of the blue passenger car</p> <p>it is turning right</p> <p>it is not leaving the priority road</p>	
3		8/73.0	<p><b>In this situation, I must give way to:</b></p> <p>the blue passenger car only</p> <p>the red passenger car only</p> <p>both passenger cars</p>	
3		8/73.1	<p><b>In this situation, I must:</b></p> <p>give way to the blue passenger car</p> <p>give way to the red passenger car</p> <p>pass through before the blue passenger car</p> <p>pass through before the red passenger car</p>	
3		8/74.0	<p><b>In this situation, I must:</b></p> <p>give way to the blue passenger car</p> <p>give way to the yellow passenger car</p> <p>pass through before the red passenger car</p>	
3		8/74.1	<p><b>In this situation, I must:</b></p> <p>give way to the red passenger car because it is located on the priority road</p> <p>give way to the yellow passenger car because it is located on the priority road</p> <p>pass through before the blue passenger car, because it is turning left</p>	

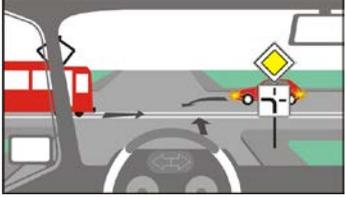

3		8/75.	<p><b>In this situation, I must give way to:</b></p> <p>the blue passenger car  the red passenger car  the yellow passenger car</p>	
3		8/76.0	<p><b>In this situation, I must pass through after:</b></p> <p>the red passenger car  the blue passenger car</p>	
3		8/76.1	<p><b>In this situation, I must:</b></p> <p>pass through before the red passenger car  give way to the blue passenger car  pass through before the blue passenger car  give way to the red passenger car</p>	
3		8/77.	<p><b>In this situation, I must pass through before:</b></p> <p>the blue passenger car  the red passenger car  the yellow passenger car</p>	
3		8/78.	<p><b>In this situation, I must:</b></p> <p>pass through before the blue passenger car  give way to the red passenger car  pass through before the yellow passenger car</p>	
3		8/79.	<p><b>In this situation:</b></p> <p>I should give way to the blue passenger car  I will pass through before the blue passenger car</p>	
3		8/80.	<p><b>In this situation, I will give way the red passenger car, because:</b></p> <p>it is located on my right side  it is moving straight  I am turning left</p>	
3		8/81.	<p><b>In this situation:</b></p> <p>I will give way to the red passenger car  I will pass through before the red passenger car</p>	

3		8/82.	<p><b>In this situation, the red passenger car has right of way.</b></p> <p>incorrect correct</p>	
3		8/83.0	<p><b>In this situation, the driver of:</b></p> <p>the passenger car has right of way the motorcycle has right of way</p>	
3		8/83.1	<p><b>In this situation:</b></p> <p>the passenger car has right of way because it is on the right of the motorcyclist the motorcyclist has right of way because it is moving straight the motorcyclist has right of way because it is a two-wheeled motor vehicle</p>	
3		8/84.0	<p><b>In this situation, are you obliged to give way to the blue passenger car?</b></p> <p>yes no</p>	
3		8/84.1	<p><b>In this situation, I have right of way because I am driving straight.</b></p> <p>incorrect correct</p>	
3		8/85.	<p><b>In this situation, the following vehicles have priority of way:</b></p> <p>the blue passenger car because it is located on the right the red passenger car, because it is moving straight the blue passenger car, because it is turning right</p>	
3		8/86.	<p><b>In this situation, the blue car:</b></p> <p>has no right of way has right of way</p>	
3		8/87.	<p><b>In this situation, I will give way to the red passenger car because:</b></p> <p>it is on my right side the road on which I am driving has not extension forward it is moving along the road that extends straight it turns left</p>	

3		8/88.	<b>In this situation, the red passenger car has right of way.</b> incorrect correct	
3		8/89.	<b>In this situation, I will pass simultaneously with the red passenger car and I am not obliged to give way to the blue passenger car.</b> incorrect correct	
3		8/90.	<b>In this situation, I must:</b> give way to the passenger car give way to the truck pass through before the passenger car pass through before the truck	
3		8/91.	<b>In this situation, I have right of way because I am driving straight.</b> incorrect correct	
3		8/92.	<b>In this situation, I must:</b> give way to the motorcyclist pass through before the red passenger car pass through before the motorcyclist give way to the red passenger car	
3		8/93.0	<b>In this situation, I must pass through after:</b> the blue passenger car the red passenger car	
3		8/93.1	<b>In this situation, I must:</b> give way to the blue passenger car pass through before the red passenger car give way to the red passenger car pass through before the blue passenger car	
3		8/94.	<b>In this situation, I must give way to the red passenger car.</b> incorrect correct	

3	8/95.1	<p><b>In this situation, I must:</b></p> <p>pass through before the blue passenger car</p> <p>pass through before the red passenger car</p> <p>give way to the blue passenger car</p> <p>give way to the red passenger car</p>	
3	8/96.1	<p><b>In this situation, I must:</b></p> <p>give way to the red passenger car</p> <p>give way to the blue passenger car</p> <p>pass through before the blue passenger car</p> <p>pass through before the red passenger car</p>	
3	8/97.	<p><b>In this situation, the following passenger car must pass through first:</b></p> <p>the red passenger car</p> <p>the green passenger car</p> <p>the blue passenger car</p>	
3	8/98.0	<p><b>In this situation, the driver of the green passenger car should give way to:</b></p> <p>both cars</p> <p>the blue passenger car only</p> <p>the red passenger car only</p>	
3	8/98.1	<p><b>In this situation the driver of the green passenger car must:</b></p> <p>give way to the red passenger car</p> <p>give way to the blue passenger car</p> <p>pass through before the blue passenger car</p> <p>pass through before the red passenger car</p>	
3	8/99.0	<p><b>In this situation, I must give way to:</b></p> <p>the red passenger car</p> <p>the blue passenger car</p>	
3	8/99.1	<p><b>In this situation, I must:</b></p> <p>give way to the red passenger car</p> <p>pass through before the blue passenger car</p> <p>pass through before the red passenger car</p> <p>give way to the blue passenger car</p>	
3	8/100.0	<p><b>In this situation, I must:</b></p> <p>pass through before both passenger cars</p> <p>give way to the red passenger car only</p> <p>give way to the blue passenger car only</p>	
3	8/100.1	<p><b>In this situation, I must:</b></p> <p>pass through before the red passenger car</p> <p>pass through before the blue passenger car</p> <p>give way to the red passenger car</p>	

			give way to the blue <b>passenger</b> car	
3		8/101.	<b>In this situation, the red passenger car has right of way because it is moving straight.</b>  incorrect correct	
3		8/102.0	<b>In this situation the driver of the green passenger car should give way to:</b> the blue <b>passenger</b> car only the red <b>passenger</b> car only both <b>passenger</b> cars	
3		8/102.1	<b>In this situation, the driver of the green passenger car must:</b> give way to the blue <b>passenger</b> car pass through before the red <b>passenger</b> car give way to the red <b>passenger</b> car pass through before the blue <b>passenger</b> car	
3		8/103.0	<b>In this situation, I must give way to:</b> the <b>tram</b> only the <b>passenger</b> car only both vehicles	
3		8/103.1	<b>In this situation, I must:</b> give way to the <b>tram</b> pass through before the <b>passenger</b> car give way to the <b>passenger</b> car pass through before the tram	
3		8/104.0	<b>In this situation, I must give way to:</b> the <b>tram</b> only the <b>passenger</b> car only both vehicles	
3		8/104.1	<b>In this situation, I must:</b> give way to the <b>tram</b> pass through before the <b>passenger</b> car give way to the <b>passenger</b> car pass through before the tram	
3		8/105.0	<b>In this situation, I must give way to:</b> both vehicles the <b>tram</b> only the <b>passenger</b> car only	
3		8/105.1	<b>In this situation, I must:</b> give way to the <b>passenger</b> car give way to the <b>tram</b>	

			pass through before the <b>passenger</b> car pass through before the tram	
3		8/106.0	<b>In this situation, I must give way to:</b> the tram only the passenger car only both vehicles	
3		8/106.1	<b>In this situation, I must:</b> give way to the tram pass through before the passenger car pass through before the tram give way to the <b>passenger</b> car	
3		8/107.	<b>In this situation, the following passenger car has right of way:</b> the red passenger car the yellow passenger car	
3		8/108.	<b>In this situation, the following passenger car has right of way:</b> the red passenger car the yellow passenger car	
2		8/109.	<b>Is the driver obliged to stop the engine in case of an emergency stopping in a tunnel?</b> yes, when the beginning of the tunnel is marked by a road sign yes, when the stopping is for a short time yes, regardless of the reason for stopping and the duration of stopping no	
2		8/110.	<b>Is the driver obliged to stop the engine in case of an emergency stopping in a tunnel, when the beginning of tunnel is marked by a road sign?</b> yes, when this stopping is not for a short time yes, regardless of the duration of stopping no	
2		8/111.	<b>In emergency stopping in a tunnel, the driver is obliged to stop the engine when:</b> the beginning of the tunnel is marked by a road sign the stopping is not for a short time the tunnel is illuminated the traffic in the tunnel is one-way	
2		8/112.	<b>The performing of which of these maneuvers is prohibited in a tunnel?</b> moving backwards making a U-turn going around overtaking	
2		8/113.	<b>Making a U-turn in the tunnel is:</b> prohibited	

			<p>allowed only on a road with three or more lanes</p> <p>allowed if there is no oncoming traffic</p> <p>allowed if the traffic in the tunnel is two-way</p>	
2		8/114.	<p><b>Upon entering the tunnel, the beginning of which is marked by a road sign, is the driver obliged to switch on the vehicle lights?</b></p> <p>yes</p> <p>no</p>	
2		8/115.	<p><b>This sign:</b></p> <p>indicates an emergency exit in an tunnel</p> <p>designates an entrance of a pedestrian subway</p> <p>indicates the location of the pedestrian exit from a highway</p>	
2		8/116.	<p><b>This sign:</b></p> <p>indicates the direction of movement to an emergency exit in a tunnel</p> <p>indicates the mandatory direction of movement on a pedestrian walkway</p> <p>indicates the direction to the pedestrian underpass</p> <p>indicates the location of the pedestrian exit from the highway</p>	
2		8/117.	<p><b>In a tunnel this sign indicates:</b></p> <p>widening of the roadway with an emergency station</p> <p>lane for emergency stopping</p> <p>parking space</p>	
2		8/118.	<p><b>In a tunnel this sign with additional plate indicates:</b></p> <p>the place for emergency stopping</p> <p>a parking area equipped with a telephone and fire extinguisher</p>	
2		8/119.	<p><b>When driving in a tunnel of a length exceeding 500 m, the distance between the passenger cars must be equal to the distance traveled for two seconds with the permitted speed of movement.</b></p> <p>correct</p> <p>incorrect</p>	
2		8/120.	<p><b>While stopping in a tunnel with a length exceeding 500 m, the distance between the vehicles must be not less than:</b></p> <p>5 m</p> <p>4 m</p> <p>3 m</p> <p>2 m</p>	
2		8/121.	<p><b>For which drivers are the stop signals given by the railway employee standing on the rail level crossing mandatory?</b></p> <p>for the drivers on both sides of the railway crossing</p> <p>only for drivers who are approaching the side of the crossing, on which the railway employee is located</p> <p>the signals of the railway employee are not mandatory for the drivers of the motor vehicles</p>	
2		8/122.	<p><b>In case of emergency stopping of the vehicle on the railway crossing, the driver must:</b></p> <p>take the passengers out of the vehicle at a safe distance</p> <p>take measures to remove the vehicle outside the railway</p> <p>take measures to timely warn the drivers on both sides of the railway</p> <p>remain in the vehicle and notify the control authorities</p>	

2		8/123.	<p><b>When the stopping place before the railway crossing is determined in relation to the rails, the distance from the first rail must be:</b></p> <p>not less than 2 m not more than 1 m not more than 5 m at the discretion of the driver</p>	
2		8/124.	<p><b>When the stopping place before the railway crossing is determined in relation to the rails, the distance from the first rail must be:</b></p> <p>not less than 2 meters not more than 2 meters the smallest possible at the discretion of the driver</p>	
2		8/125.	<p><b>Is it mandatory to stop before a railway crossing without barriers?</b></p> <p>yes, in all cases yes, but only when a train is approaching the crossing no</p>	
2		8/127.	<p><b>How will you signal during the day in order to stop the train, if the passenger car you are driving is staying on the railway tracks due to failure?</b></p> <p>by a circular motion of the arm which holds an easily noticeable object by an arm directed sideways by a raised up hand, which may hold an attention attracting object by a stop truncheon</p>	
2		8/128.	<p><b>How will you signal during the night in order to stop the train, if the passenger car you are driving is staying on the railway tracks, due to failure?</b></p> <p>by circular motion of the arm which holds a burning torch or a lantern by a fire next to the railway track by a raised up hand, which holds an attention attracting object by a light-reflective stop truncheon</p>	
2		8/129.	<p><b>The driver is prohibited to enter the railway crossing, if:</b></p> <p>there is insufficient space to continue moving on the other side of the railway crossing he will have to passing past another road vehicle on the railway crossing there is no sound and light signaling facilities at the railway crossing</p>	
2		8/130.	<p><b>The driver is prohibited to enter the railway crossing:</b></p> <p>before he gets sure that there is no train approaching the railway crossing if the audible alarm is switched on If the traffic lights facility gives a signal of slow flashing light with moon-white colour when on the other side of the crossing there is an insufficient space to continue moving</p>	
2		8/131.	<p><b>The driver is prohibited to enter the railway crossing:</b></p> <p>if the barriers are lowered and begin to lift if the audible alarm is switched on in case of flashing red light of the traffic lights If the traffic lights facility gives a signal of slow flashing light with moon-white colour</p>	

2		8/132.0	<p><b>The driver is prohibited to enter the railway crossing if:</b>  the barriers are lowering  the barriers are lowered</p> <p>he will have to move past another road vehicle on the railway level crossing  there are not any facilities for sound and light signal at the railway crossing</p>	
2		8/132.1	<p><b>The driver is prohibited to enter the railway crossing:</b>  before he gets sure that there is not a train approaching the railway crossing  when on the other side of the crossing there is an insufficient space to continue moving</p> <p>if he will have to move past another road vehicle on the railway crossing  if there are no sound and light signaling facilities at the railway crossing</p>	
2		8/133.	<p><b>Do you have to stop the road vehicle before a railway crossing, if the barriers are lifted, but the traffic lights is flashing red light?</b>  yes, in all cases</p> <p>yes, but only when a train is approaching the railway crossing  not necessarily</p>	
2		8/134.	<p><b>Do you have to stop the road vehicle before a railway crossing, if only the audible alarm is switched on?</b>  yes  no</p>	
2		8/135.	<p><b>If on a railway crossing without barriers, after the train has passed, the traffic lights continue flashing in red, the driver:</b>  must not enter the railway crossing</p> <p>may pass through the railway level crossing carefully  must get-off the vehicle and see what is happening  may pass through with the emergency lights switched on</p>	
2		8/136.	<p><b>If, while passing through a railway crossing, the audible alarm and the red traffic light is switched on, the driver must:</b>  continue his movement to free the railway crossing  stop immediately and switch on the emergency lights  make a U-turn to faster leave the railway level crossing</p>
